LAST CHRISTMAS

Last Christmas, I gave you my heart
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas, I gave you my heart
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone special.

Last Christmas

Once bitten and twice shy
I keep my distance but you still catch my eye
Tell me baby, do you recognise me?
Well it's been a year, it doesn't surprise me

I wrapped it up and sent it
With a note saying "I Love You" I meant it
Now I know what a fool I've been
But if you kissed me now I know you'd fool me again

Last Christmas, I gave you my heart
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas, I gave you my heart
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone special.

A crowded room, friends with tired eyes
I'm hiding from you and your soul of ice
My God I thought you were someone to rely on me?
I guess I was a shoulder to cry on

A face on a lover with a fire in his heart
A man undercover but you tore me apart
Oooh oooh
Now I've found a real love you'll never fool me again

Last Christmas, I gave you my heart
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas, I gave you my heart
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas, I gave you my heart
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas

WINTER WONDERLAND

Sleigh bells ring, are you listening?
In the lane, snow is glistening
A beautiful sight, we're happy tonight
Walking in a winter wonderland.

Gone away is the bluebird
Here to stay is a new bird
He sings a love song, as we go along
walking in a winter wonderland.

In the meadow we can build a snowman
Then pretend that he is Parson Brown

We'll have lots of fun with mister snowman
until the other kids knock him down.

When it snows, ain't it thrilling?
though your nose gets a chilling
we'll frolic and play, the Eskimo way
walking in a winter wonderland.

In the meadow we can build a snowman
Then pretend that he is Parson Brown
We'll have lots of fun with mister snowman
until the other kids knock him down.

Later on, we'll conspire
as we dream, dream by the fire
to face unafraid, the plans that we've made.
Walking in a winter wonderland.
Walking, we were talking
How we were walking
In a winter wonderland.

SANTA CLAUS IS COMING TO TOWN

You better watch out, you better not cry
You better not pout, I'm telling you why
Santa Claus is coming to town

He's making a list, he's checking it twice
He's gonna find out who's naughty or nice
Santa Claus is coming to town.

Santa Claus is coming
Santa Claus is coming

He knows when you're sleeping
He knows when you're awake

He knows if you've been bad or good
So be good for goodness sake!

You better watch out, you better not cry
You better not pout, I'm telling you why
Santa Claus is coming to town.

Santa Claus is coming
Santa Claus is coming

Santa Claus is coming
Santa Claus is coming

He knows when you're sleeping
He knows when you're awake
He knows if you've been bad or good
So be good for goodness sake!

You better watch out, you better not cry
You better not pout, I'm telling you why
Santa Claus is coming, coming to town.

Santa Claus is coming
Santa Claus is coming

Santa Claus is coming
Santa Claus is coming

Santa Claus is coming
He's coming right straight to your house
So be ready because
Santa Claus is coming to town.

SLEIGH RIDE

Just hear those sleigh bells jingling

Ring ting tingling too
Come on, it's lovely weather
For a sleigh ride together with you.
Outside the snow is falling
And friends are calling "Yoo hoo"
Come on, it's lovely weather
For a sleigh ride together with you.

Giddy yap, giddy yap, giddy yap
Let's go, Let's look at the show
We're riding in a wonderland of snow.
Giddy yap, giddy yap, giddy yap
It's grand, just holding your hand
We're gliding along with a song
Of a wintry fairy land.

Our cheeks are nice and rosy
And comfy cozy are we
We're snuggled up together
Like two birds of a feather would be
Let's take that road before us
And sing a chorus or two
Come on, it's lovely weather
For a sleigh ride together with you.

There's a birthday party
At the home of Farmer Gray
It'll be the perfect ending of a perfect day
We'll be singing the songs
We love to sing without a single stop
At the fireplace while we watch
The chestnuts pop.

There's a happy feeling
Nothing in the world can buy
When they pass around the coffee

CHRISTMAS IN LOVE

And the pumpkin pie
It'll nearly be like a picture print
By Currier and Ives
These wonderful things
We remember all through our lives!

Just hear those sleigh bells jingling
Ring ting tingling too
Come on, it's lovely weather
For a sleigh ride together with you.
Outside the snow is falling
And friends are calling "Yoo hoo"
Come on, it's lovely weather
For a sleigh ride together with you.

Giddy yap, giddy yap, giddy yap
Let's go, Let's look at the show
We're riding in a wonderland of snow.
Giddy yap, giddy yap, giddy yap
It's grand, just holding your hand
We're gliding along with a song
Of a wintry fairy land.

Our cheeks are nice and rosy
And comfy cozy are we
We're snuggled up together
Like two birds of a feather would be
Let's take that road before us
And sing a chorus or two
Come on, it's lovely weather
For a sleigh ride together with you.
Come on, it's lovely weather
for a sleigh ride together with you.
Come on, it's lovely weather
for a sleigh ride together with you.

Things tremble, tingle
Like a bubble full of rainbows, then crack
Sizzle, sing and whisper
When the shadows lace the moonlight with black
Oh no

Things with silver lining
Sparkling tinsel twinkle, shining
With waving wispy willow wings
That breath the song of Christmas time dreams

Things that glow and glisten
Eyes of children when they listen, then burst
Things are touched
The wistful wish of watching someone else succeed first,
Oh no

Days dingle, dangle
With a million parts I'm tangled to
And satin stars that spangle
And those Christmas bells that clangle
Our dreams.

I'm dreaming of Christmas
To you merry Christmas
I'm dreaming of a merry Christmas
To you very merry Christmas

Galloping and gliding
Santa Claus his sleigh we're riding in
Bringing joyful tiding to the dreamers who are lying below.
I'm talking a day of dreams, wishes and moonbeams
Let it tremble, tingle like a bubble full of rainbows and light
When you came to wake me and to wish me merry Christmas in love.

A Christmas in love

O CHRISTMAS TREE

I can tremble tingle like a bubble full of rainbows and light.
When you came to wake me and to wish me merry Christmas in love
Merry Christmas in love
When you came to wake me and to wish me merry Christmas in love
When you came to wake me and to wish me merry Christmas in love

O Christmas tree, O Christmas tree
How lovely are thy branches
O Christmas tree, O Christmas tree
How lovely are thy branches

Your boughs so green in summertime
Stay bravely green in wintertime

O Christmas tree, O Christmas tree
How lovely are thy branches

O Christmas tree, O Christmas tree
Such pleasure do you bring me
O Christmas tree, O Christmas tree
Such pleasure do you bring me

Oh every year this Christmas tree
Brings to us such joy and glee

O Christmas tree, O Christmas tree
Such pleasure do you bring me

O Christmas tree, O Christmas tree
You'll ever be unchanging
A symbol of goodwill and love
You'll ever be unchanging
Each shining light, each silver bell
No one alive spreads cheer so well.
O Christmas tree, O Christmas tree

You'll ever be unchanging.

WHITE CHRISTMAS

I am dreaming of a white Christmas
Just like the ones I used to know
Where the treetops glisten
And children listen
To hear sleigh bells in the snow.

I am dreaming of a white Christmas
With every Christmas card I write
May your days, may your days, may your days
Be merry and bright
And may all your Christmases be white.

I'm dreaming of a white Christmas
Just like the ones I used to know
Where the treetops glisten
And children listen
To hear sleigh bells in the snow.

I'm dreaming of a white Christmas
with every Christmas card I write
May your days, may your days, may your days
Be merry and bright
And may all your Christmases be white.

Jingle bells, jingle bells, jingle...

Yes!

SILENT NIGHT

Silent night, holy night

All is calm, all is bright
Round yon Virgin, mother and child
Holy infant so tender and mild
Sleep in heavenly peace
Sleep in heavenly peace

Silent night, holy night
Shepherds quake at the sight
Glories stream from heaven afar.

Heavenly hosts sing Al-le-lu-ia
Christ the Saviour is born
Christ the Saviour is born!

Silent night, holy night
All is calm and all is bright
Round yon Virgin, mother and child
Holy infant so tender and mild
Sleep in heavenly peace
Sleep in heavenly peace

Sleep in heavenly peace
Sleep in heavenly peace

LET IT SNOW

The weather outside is frightful
But the fire is so delightful
Since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stopping
And I brought some corn for popping
Lights are turned way down low
Let it snow, let it snow, let it snow

When we finally say good night
How I'll hate going out in the storm
If you really hold me tight
All the way home I'll be warm

The fire is slowly dying
And, my dear, we're still good-bye-ing
As long as you love me so
Let it snow, let it snow, let it snow

When we finally say good night
How I'll hate going out in the storm
If you really hold me tight
All the way home I'll be warm.

The weather outside is frightful
But the fire is so delightful

JINGLE BELL ROCK

Jingle bell, jingle bell, jingle bell rock
Jingle bell swing and jingle bell ring
Snowing and blowing up bushels of fun
Now the jingle hop has begun

Jingle bell, jingle bell, jingle bell rock
Jingle bell chime in jingle bell time
Dancing and prancing in Jingle Bell Square
In the frosty air

What a bright time, it's the right time
To rock the night away
Jingle bell time is a swell time
To go the gliding in a one-horse sleigh

Giddy-up jingle horse, pick up your feet
Jingle around the clock
Mix and a-mingle in the jingling feet
That's the jingle bell rock

Jingle bell, jingle bell, jingle bell rock
Jingle bell chime in jingle bell time
Dancing and prancing in Jingle Bell Square
In the frosty air.

What a bright time, it's the right time
to rock the night away
Jingle bell time is a swell time
To go the gliding in a one-horse sleigh

Giddy-up jingle horse, pick up your feet
Jingle around the clock
Mix and a-mingle in the jingling feet

That's the jingle bell
That's the jingle bell rock
